C. Request for acceptance of Community College Hours toward 150-Hour Requirement

The Board reviewed a request for acceptance of community college credit hours earned at Sowela Technical College which were not previously accepted by McNeese State University when the student transferred. As a senior at McNeese, the student is preparing to sit for the CPA exam upon receiving a BS in Accounting and would like the Board’s approval of

additional hours received while earning an Associates of Applied Science in Accounting at the community college to apply toward the Board's 150-hour requirement.

After reviewing the information provided by the candidate, upon motion by Mr. Harris, seconded by Mrs. Hutchinson and unanimously adopted, the Board voted to accept, as recommended by the Executive Director, 35 additional hours earned at Sowela Technical College towards the Board's 150-hour requirement.

D. Request to Accept Community College Hours and Certification Credits as accepted by Delgado Community College toward the 150-hour requirement

The Board reviewed a request for acceptance of community college hours and acceptance of the hours awarded for Certification Credits by Delgado Community College toward the 150-hour requirement. Hours were earned/awarded after the candidate earned a Bachelor of Science degree from Southeastern in May 2010.

After reviewing the information provided by the candidate, upon motion by Mr. Harris, seconded by Mrs. Hutchinson and unanimously adopted, the Board voted to accept 18 hours earned at Delgado Community College towards the Board's 150-hour requirement after completion of the Bachelor's degree. Further, upon motion by Mr. Harris, seconded by Mrs. Hutchinson and unanimously adopted, the Board accepted 6 hours of Certification Credit hours (ACCT 215 Tax Accounting – Corporations, and CNET 297 – Certification Preparation) credited by Delgado Community College to be used towards the Board's 150-hour requirement.

The Board requested the Executive Director survey Louisiana universities to determine if any would accept certifications for credit.

E. Request for Extension of Exam credit for REG

The Board considered a request from an exam candidate for an extension of exam credit beyond 18 months for the REG section citing a family emergency which the candidate believed adversely affected her last exam (FAR) taken three days later. She has successfully passed 3 of 4 parts, and was unsuccessful in passing the remaining part, FAR, before her credit for REG expired.

After reviewing the information provided by the candidate, a motion made by Mr. Harris to grant the candidate an extension for the candidate's REG credit to February 29, 2016 failed for lack of a second. Upon motion by Mr. Bergeron, seconded by Mrs. Honoré Thomas and by a vote of 5-1, the Board voted to decline the candidate's request for an extension of the REG credit beyond the 18 month window.

F. Request for acceptance of Delgado Community College credits to attain 150 Hours

The Board considered a request for approval of real-estate courses completed in lieu of 4 hours of community college courses previously pre-approved by the Board at its January board meeting.

After reviewing the materials provided by the candidate, upon motion by Mr. Bruno, seconded by Mrs. Honoré Thomas and unanimously adopted, the Board approved 6 hours earned at Delgado Community College by the candidate towards the Board's 150-hour requirement.

G. Ratification of Board Determination of Community College Credits Accepted (Request for 18 Community College Hours to be accepted toward 150-Hour Requirement)

The Board was asked to ratify its determination on this request. Mr. Thien Long Tran submitted a request for the Board's acceptance of 18 community college hours toward the 150-hour requirement that were earned at Delgado Community College while earning an Associate Degree in Bio-medical Equipment Repair. He since earned a Bachelor of Science from the University of New Orleans majoring in Accounting.

Upon motion by Mrs. Honoré Thomas, seconded by Mrs. Hutchinson and unanimously adopted, the Board ratified its determination to accept 18 hours of hours earned at Delgado by the candidate over and above what UNO accepted as transfer courses.

H. Ratification of Board Determination of Community College Credits Accepted (Request for 27 Community College Hours to be accepted toward 150-Hour Requirement)

The Board was asked to ratify its determination on this request. Ms. Sue Miller submitted a request for the Board's acceptance of hours earned at the Community College of the Air Force (CCAF) towards an Associate Degree in Weather Technology in 1999 prior to earning a Bachelor's Degree in Accounting at the University of Maryland in 2008.

Upon motion by Mrs. Hutchinson, seconded by Mr. Bergeron and unanimously adopted, the Board ratified its determination to accept 27 hours of hours earned at Community College of the Air Force by the candidate over and above what the University of Maryland accepted as transfer courses.

I. CPA Exam Services and NASBA International Evaluation Services – Advisory Evaluation

The Executive Director informed the Board of notice from NASBA's CPA Exam Services (CPAES) and NASBA International Evaluation Services (NIES) that a new Advisory Evaluation service is being developed in response to the overwhelming need from potential candidates. This service will replace the pre-evaluation service that is currently available and the fee will increase from \$50 to \$100 for domestic and \$150 for international.

J. NASBA Extensions on Exam Windows

The Executive Director informed the Board that NASBA sent notice regarding the extension of exam windows. R.S. §37:83(G) provides that “No...firm holding a permit...shall use a professional or firm name or designation that is misleading about the legal form of the firm or about the persons who are partners...of the firm...or about any other matter.”

Board Rules §1707(D)(4) says “A firm name not consisting of the names of one or more present or former partners, members, or shareholders may not be used by a CPA firm unless such name has been approved by the board as not being false or misleading.”

After a review of the documentation provided and discussion, upon motion by Mr. Harris, seconded by Mr. Bruno and unanimously adopted, the Board approved the request for the firm name “Forensic Insights, LLC”.

Mr. Harris presented a summary of topics discussed at NASBA's annual meeting in October including non-traditional education and accreditation concerns.

B. Society of Louisiana CPAs (LCPA)

Mr. Gitz discussed matters of interest to the Board and the profession, including a recap of the 2015 Legislative Session and looking ahead to next year, the AICPA's proposal to expand the CGMA designation to non-CPAs, and the nominating process for State Board membership with the new Louisiana administration.

X. CPE ITEMS

A. CPE Informational Bulletin

The Executive Director informed the Board that the CPE informational bulletin was sent to all licensed CPAs during the last week of September. It included information on the current reporting cycle for CPE as well as the new rules effective January 1, 2016.

Additionally, CPE Frequently Asked Questions (FAQs) are now available on the Board's website.

B. Board Policy on CPE Extensions to Complete Required CPE

The Executive Director reported that for the past several CPE reporting periods the Board has adopted a standard policy for requests for CPE extensions, whereby the licensees would sign a Consent Order and pay a fine for an extension to complete their CPE requirements and continue to maintain their license in good standing. The Consent Orders were standardized relative to the length of extension requested, and the Investigating Officer had authority to grant waivers of fines for extenuating circumstances.

After reviewing an updated draft of the previous board policy on CPE extensions, upon motion by Mr. Bruno, seconded by Mrs. Hutchinson and unanimously adopted, the Board approved the CPE Extension policy as presented to the Board. Mr. Than appointed the Executive Director as the Investigating Officer to make decisions on CPE extension requests.

C. Request for Board approval on CPE Credit for Published Articles

Ms. Wainright informed the Board that Rebecca B. Martin, CPA (License No. 25928) submitted a request to obtain CPE credit for publication of two articles:

- “An assessment of patterns of co-authorship for academic accountants within premier journals edited outside the U.S.: Evidence from 1995-2009” published by *The Clute Institute*, 2013.

- “Trust, Organizational Justice, and Whistleblowing” published online in the journal of *Behavioral Research in Accounting*. Vol. 26, No. 1. 2014. Published online, August 2013.

Ms. Martin is requesting 20 hours of CPE credit for the article published in *The Clute Institute* and 10 hours for the article published in *Behavioral Research in Accounting*. The articles were previously sent to the Board for review, and are also included for the Board’s review.

Upon motion by Mr. Harris, seconded by Mrs. Hutchinson and unanimously adopted, the Board approved the request for 20 hours of CPE for Ms. Martin’s published article in *The Clute Institute*.

Upon motion by Mr. Harris, seconded by Mrs. Hutchinson and unanimously adopted, the Board approved the request for 10 hours of CPE for Ms. Martin’s published article in *Behavioral Research in Accounting*.

D. Request for Board approval on CPE Credit for Publication

Ms. Wainright informed the Board that Wilson A LaGraize, CPA (License No. 7572) submitted a request to obtain CPE credit for publication of a book:

- *Case Studies in Forensic Accounting and Fraud Auditing*. D. Larry Crumbley, Wilson A. LaGraize, Christopher E. Peters. Cch Incorporated, August 5, 2013.

Mr. LaGraize has asked the Board to grant 16 hours of CPE credit for work on the book. The book was made available for Board review.

After discussion, upon motion by Mrs. Hutchinson, seconded by Mr. Bruno and unanimously adopted, the Board approved the request for 16 hours of CPE for Mr. LaGraize’s work on the published book *Case Studies in Forensic Accounting and Fraud Auditing*.

E. Request for Board approval on CPE Credit for Published Articles

Ms. Wainright informed the Board that Mark Williams Shirley, CPA (License No. 16852) submitted a request to obtain CPE credit for work completed on three published articles:

- “Appendix V.” Published in *Cost of Capital*. April 2014. Available <http://www.wiley.com/WileyCDA/Section/id-821224.html> (30 hours requested)
- “Professional Practice Valuation.” Parts of this chapter adapted from articles originally published in *The Value Examiner*. (20 hours requested)
- “Professional Practices: Systemic Strategies for Application of Traditional Valuation Methodologies.” *Valuation Strategies*. March/April 2014. Vol. 17, No. 4. (5 hours requested)

Upon motion by Mrs. Hutchinson, seconded by Mrs. Honoré Thomas and unanimously adopted, the Board approved the request for 30 hours of CPE for work completed on the published article in *Cost of Capital*.

No further action was taken on the remaining hours requested as the maximum limit of 30 hours of CPE for publications during a reporting period was met by the Board's first vote.

F. Request for Waiver of CPE or Reduction of CPE

The Executive Director informed the Board that Dennis Muckelroy, CPA (License No. 23402), submitted a request for a waiver of CPE hours or a reduction in the amount of hours he is required to submit due to unemployment. Mr. Muckelroy was licensed in 2000 and would be required to earn and report 120 hours for the current CPE reporting period. A copy of Mr. Muckelroy's request is provided.

After reviewing the information provided, upon motion by Mrs. Hutchinson, seconded by Mr. Harris and unanimously adopted, the Board declined Mr. Muckelroy's request for a waiver at this time, voicing that it is premature for such a request with nearly 2 months left in the reporting period.

G. Request for Approval of Six Sigma Green Belt training as CPE for reinstatement

The Executive Director informed the Board that there are two reinstatement candidates who want to use the 2-week Six Sigma Green Belt classroom training sponsored by their employer, Coca Cola, as part of their CPE to reinstate.

After discussion, upon motion by Mr. Harris, seconded by Mrs. Hutchinson and unanimously adopted, the Board approved coursework hours completed by these two candidates while being trained for the Six Sigma Green Belt as eligible CPE hours to be used for their reinstatement.

H. Final CPE Rule Changes – update

Pursuant to the Board's decision at its July meeting to adopt the CPE rules as presented in the June 20, 2015 *Louisiana Register*, final rule changes were published in the September 20, 2015 *Louisiana Register*.

I. Pro-bono work credited as CPE – follow-up

Previously the Board determined it would allow, on a trial basis, up to 4 hours annually of CPE credit for pro-bono work completed for a non-profit, education, government, or civic organization. However, there were questions presented regarding whether this would be an ethics conflict for individuals serving in public positions. Being cautious, the Board asked the Ethics Board for an advisory opinion which was sent in September 2015. The response was received in October 2015. Both are provided for the Board's review.

The Ethics Board concluded, based on the information provided in the initial request, that the Code of Governmental Ethics would not prohibit a licensed Louisiana CPA from receiving continuing education credit for their pro-bono service on a state or local board or similar body.

J. Reporting of CPE Electronically

The Board's office continues to search for effective CPE tracking software. The tracking software found works for the individual CPA but lacks in analysis ability from the enforcement side. Meanwhile, an Excel worksheet which can be downloaded by individuals and courses input was created and posted on the Board's website. It is also saved as an Adobe file on the website.

XI. NEW MATTERS

A. LLA Confidentiality Agreement

In order to allow the Louisiana Legislative Auditor's office to share confidential information with the State Board on matters referred for enforcement review, a confidentiality agreement was reviewed by the Board's chair and counsel (Eric Derbes), and executed by Ms. Saux and Mr. Daryl Purpera with LLA after minor revisions. A copy is provided for board members.

B. Enforcement Cloud -- Update

Mrs. Benefield reported that all board members now have access to SmartSheet and overall it is working as intended.

C. Review of Current Statutes and Board Rules – Update

The proposed statute changes were sent to John Johnson, Director, Legislative & Governmental Affairs at NASBA for input, as well as Ron Gitz and Linda Babin at the LCPA.

There was discussion of adding language for firm mobility in the statutes, with the Board favoring that we allow for firm mobility with firms registered in states that allow firm mobility with firms permitted in Louisiana.

Upon motion by Mr. Harris and seconded by Mrs. Hutchinson, the Board voted 4-2 to amend the age requirement for its proposed CPA-Retired status from age 65 to age 55 which would bring it in line with the proposed Uniform Accountancy Act language providing the creation of a Retired-CPA status. Mr. Tham and Mr. Bruno voted against the amendment motion.
