Firm Permit Annual Renewal Instructions

The completed original renewal form with payment was due on or before December 31, 2022. After January 31, 2023 delinquent and reinstatement fees are a flat \$300 per firm plus the renewal fee.

WHO MUST SUBMIT A FIRM PERMIT RENEWAL FORM:

IN STATE CPA FIRMS - Every firm with an office or place of business in LA that uses the certified public accountant (CPA) title –or– performs attest services (i.e., compilations, reviews, audits, etc.) must file this form. This includes sole practitioners, part-time practitioners, partnerships, professional corporations, LLPs, LLCs and joint ventures/consortiums of CPAs or Firms. **The DESIGNATED FIRM LICENSEE**, a licensee with an active CPA certificate selected by the Firm, is responsible for submitting the completed form on behalf of all firm owners. A CPA who also has a separate part-time practice must also file a separate renewal for the part-time practice. An incorporated CPA or LLC whose corporation or LLC is a partner/shareholder/member of another CPA Firm must also file a separate form for his/her individual corporation or LLC.

OUT OF STATE CPA FIRMS - (ones that do not have an office or place of business in Louisiana) - The Louisiana Accountancy Act (specifically R.S. §37:77) was amended during 2016 to adopt what is commonly referred to as “firm mobility.” A CPA firm that does not have an office or a place of business in Louisiana but provides attest services in Louisiana is no longer required to hold a permit if the CPA firm meets the provisions set forth in the Louisiana Accountancy Act. Your firm should review the Louisiana Accountancy Act before deciding not to renew the firm permit.

Firms that were dormant in 2022 may choose to maintain and renew the Firm Permit if practice is expected to resume in order to avoid reinstatement fees in the future. But you should complete all items on the form, even if no services were performed in 2022.

If the firm’s practice has permanently ceased, you may CANCEL the firm permit. Complete the FIRM CONTACT INFORMATION section of the renewal form and mark “Cancel” on the front of the form and sign and return the form to us. Or, provide a letter with your signature requesting cancellation of the firm permit.
